

# It's Marmalade time!!

## WIN £50 of cookware vouchers for The Woodbridge Kitchen Company Best Marmalade In Town

We want to find this years local **Marmalade Champion**, so wash down the maslin pans, dig out the recipe books and get shredding.

Last year we had a superb range of entries and we're looking forward to another bumper year.

Once you've prepped and cooked your entries bring in a jar for judging.

Entries will be judged on taste, set and presentation by a panel of 'self-appointed' Marmalade connoisseurs, with the winning entry announced by early March. The winner receives a £50 voucher that can be redeemed at The Woodbridge Kitchen Company. The judges decision is of course final.

You may enter a number of different recipes, but you must supply a completed entry form for each recipe, and must mark each jar with your name and recipe.
